NOTIFICATION

In relation to the practical examinations of U. G. Even Semester Examinations, 2023, except Geography (Honours), the Colleges are hereby requested to ignore the previous notifications regarding span of conducting practical examinations (Honours / Program) and are requested to reschedule the U. G. Even Semesters practical examinations as per convenience of the Colleges. The university will be sending the names of the external examiners [for the honours practical and for the program practical (wherever applicable)] and the individual colleges are requested to contact them and coordinate the practical examinations within the new stipulated time. As the university does not send any question papers for practical examinations except Geography Honours, this rearrangement is necessary keeping the upcoming panchayat election in mind. As some of the theoretical examinations in the month of July might get rescheduled, the practical examinations need to be completed by **10th August, 2023** in order to avoid further delay in the publication of the results.

The markslips and ACSRs of U. G. 4th & 6th Semester Practical Examinations, 2023 will be uploaded to the College Member's area and emailed at the three departments where U. G. courses are taught and CIS on **26th June, 2023** instead of 4th July, 2023.

The date of uploading the ACSRs and markslips of U. G. 2nd Semester Practical Examinations, 2023 will be communicated later.
